BOSTON, February 27, 1906.

HON. JOHN F. FITZGERALD, *Mayor*:

SIR, — In compliance with section 24 of chapter 3 of the Revised Ordinances, the Board of Election Commissioners respectfully submits its report for the year 1905.

NUMBER OF VOTERS.

At the city election in 1904 the number of male voters on the list was 114,576. The number of such voters on the list published by the Board in August, 1905, was 102,567. From that time to the close of registration for the city election there were added the names of 11,889 male voters. In revising the voting list, after the publication of the voting list in August, 668 names were dropped on account of death, removal or other causes. The number of male voters on the final list sent to the polls on the day of the city election, 1905, was 113,788, a decrease of 788 from the list of the preceding year.

In 1904 there were 17,119 female voters registered for the city election. In 1905 their number was 15,655, a decrease of 1,464. The total decrease of male and female voters from the preceding year was 2,252.

LEGISLATION OF 1905.

Chapter 313 of the Acts of 1905 provides that the vendors of voting machines shall give a bond with sufficient sureties to defend and indemnify cities and towns purchasing and using voting machines, counting machines or ballot boxes against any suit at law or in equity, and for any expense, damage or inconvenience which they may incur or suffer by reason of any suit brought against them for infringements of patents arising from the purchase or use of such machines or ballot boxes.

The second section of this act provides that the Secretary of the Commonwealth shall make regulations for the use of machines, ballot boxes and counting apparatus approved by the State Board of Voting Machine Examiners, and shall prepare and furnish suitable instructions for the voters in cities and towns in which such machines, ballot boxes and counting apparatus are used.

Chapter 386 of the Acts of 1905 is an omnibus act, containing new provisions and amendments of existing law relative to elections and caucuses. It provides, among other things, that the general registration in Boston shall take place in the year 1908 and in every twelfth year thereafter. It also provides that committees of political and municipal parties shall give notice of intention to participate in primaries to the proper authorities. It also provides that objections to nomination papers and all other questions relating thereto shall be considered in Boston by the Ballot Law Commission of said city; in other cities by the Board of Registrars, the City Clerk and the City Solicitor, and in towns by the Board of Registrars.

Since the Revised Laws of the State went into effect on January 1, 1902, various amendments to Chapter 11 of elections, and substantive additions to the law relative to primaries and elections, have been made. We are of opinion that the time is now ripe for the simplification and revision of such laws.

JUROS.

In accordance with chapter 176 of the Revised Laws, the Board has prepared a list of inhabitants of Boston liable to serve as jurors. This duty has been performed carefully, and with due consideration of its importance. Relative to this matter the Board voted that it would receive no applications for the jury list, and gave due notice by posting a sign to this effect in its office.

Following the practice of last year the Board, through its clerks, investigated at the bureau of criminal investigation of the Board of Police, and also at the various municipal and district courts, the names of persons provisionally selected for the purpose of eliminating persons having a criminal record. This work has been prosecuted vigorously and has proven efficacious in results.

The list of persons finally approved as liable to serve constitutes men of various avocations selected impartially from every section of the city.

ILLEGAL REGISTRATION.

During the year there were three complaints of illegal registration, all of which, after hearing, were dismissed.

BOSTON BALLOT LAW COMMISSION.

The Board sitting with Chief Justice Brown of the Municipal Court as the Boston Ballot Law Commission passed upon all matters relative to objections and questions arising in cases of nomination of candidates at the state and city primaries and candidates for city offices.

MEMBERSHIP OF THE BOARD.

The term of Charles R. Saunders, Esq., expired April 30, 1905. Alpheus Sanford, Esq., appointed as his successor for the term of four years ending April 30, 1909, assumed the duties of his office May 1, 1905.
